

# GRIZZLY BEARS 2017-18

A MULTI WEEK WINTER ADVENTURE FOR KIDS AGES 6 TO 13.....SKI & RIDE

## GRIZZLY BEARS IS A MULTI-WEEK PROGRAM OFFERED FOR (8) WEEKS

If you are looking for a winter adventure and a learning experience that your kids will really enjoy, Ski Cooper's Ski School has it! Our "GRIZZLY BEARS" program offers a great experience that promotes social growth, team building and a lifelong love for winter sports.

**Who:** Grizzly Bears is designed for those kids 6 to 13, who at a minimum already enjoy skiing on GREEN RUNS (i.e. can ski green runs under full control, make round turns unassisted, and ski with continuous motion down the slope without stopping every four or five turns).

**Please Note:** There will be a skills assessment at the beginning of this program. If your child does not meet the minimum skill requirement, he/she will be recommended for one of our other ski school programs.

**WHAT:** Grizzly Bears is not a competition program. This program is about skiing / riding the mountain while helping give your children a clear path to meeting their goals and achieving success. They will perfect basic skiing / riding skills and be able to ski / ride with independence and confidence. Learning life skills for our alpine environment is very important for young children. Most of all, they will have a lot of fun while being with the same coach and group of kids each day, all day for the duration of the program.

Lunch is included. Lift access and equipment (if needed) are additional.

**WHEN:** Grizzly Bears meet on **8 Saturdays: January 6,13,20,27 and February 3,10,17,24.** This program runs from **9:15am - 2:30pm daily.**

**WHERE:** This program meets outside on-snow. On the first day of the program everyone will meet at 9:15am, on snow in front of the Children's Center.

**Cost: \$414 by December 1, 2017 registration. After December 1, 2017 \$514** Call 800-707-6114, or email [skischool@skicooper.com](mailto:skischool@skicooper.com) to register your child for this program.
